

Imperium Security Specialists (ISS) provides security services on behalf of **Garden City Casino**.

Harold Furtado serves as Director of Security for Garden City; he is also the owner of **ISS**. Mr. Furtado has a 25 year background in law enforcement serving in virtually every division of the police department. He has held assignments including fraud, gangs, intelligence, organized crime and background investigations.

Mr. Furtado is also owner and President of Preferred Investigations & Consulting Services, Inc.; a Pleasanton, CA based company. Mr. Furtado and his seasoned staff of investigators perform public safety background investigations for over 20 Bay Area municipalities. Mr. Furtado has personally handled backgrounds for such positions as Police and Fire Chief, County Sheriff, Probation Chief, Finance Director, IT Director, City Administrator, HR Director, Police Commander, Battalion Chief, Division Chief, Police Lieutenant and other high profile government officials.

Mr. Furtado has taught in the Peace Officer and Standards and Training (POST) background course for over 20 years. He is a recognized subject matter expert for public safety backgrounds; he co-authored Candidate Preparation for Law Enforcement Background Investigations.

Mr. Furtado and his professional staff of Security Officers at Garden City Casino work in conjunction with a state of the art surveillance system, utilizing the newest in technology for covering all casino activity.
